

NIAGARA FRONTIER CHAPTER
International Plastic Modelers Society
BUFFALO, NEW YORK

Dear Friends:

Niagara Frontier Chapter of the International Plastic Modelers Society (IPMS) is hosting BuffCon 38, our annual Model Show and Contest on Sunday, April 2, 2023 in Cheektowaga (Buffalo) New York.

As you can see from our contest flyer, contest categories cover every aspect of the model building hobby. Based on our previous experience and the response to our national advertising, we expect over 450 model entries with contestants and spectators from all over our area.

BuffCon and shows like it are one of the most effective tools for promoting our hobby to the public. We are asking for your participation in this effort by sponsoring a category award or "Best of" award at BuffCon.

The awards for each category consist of First, Second and Third Place medals and cost \$30.00 per category. Any two categories are available for \$50.00.

There is a "Best of" award for each of the major groups of categories, such as Best Aircraft, Best Military Vehicle, Best Civilian Vehicle, etc. A "Best of" award costs \$45.00.

If you are planning a contest this year, we would be interested in a no-dollar exchange of sponsorships on a one-for-one basis. We strongly feel that such sponsorships demonstrate the connectivity within our hobby to the general public.

Please indicate here which Category or "Best of" you would like to support:

Category: _____ @ \$30.00

Second Category: _____ @ \$20.00

"Best of": _____ @ \$45.00

Please make checks payable to "Niagara Frontier Chapter IPMS".

Sponsor's Name and contact person: _____

All sponsor's names will appear on the category markers on the display tables and will be announced during the award presentation.

Thank you for your interest in model building and Niagara Frontier Chapter IPMS.

Regards,

Dick Schulenberg
