Build Better Models!

Chartered in 1979 as the Niagara Frontier Chapter of the International Plastic Modelers Society (USA), our goal is to foster enjoyment and interest in the modeling hobby, in all forms, facets and media.

Our members build aircraft, armor, civilian vehicles, figures, ships and science fiction models. We meet once a month to share our current projects, modeling advice, demonstrations and related info on all kinds of models. On top of that, you can hang out with the friendliest modelers in Western New York!

Open Meetings are held at the
Home of the Original BuffCon
On the 3rd Monday of the month
7:00 - 9:00 pm

Justin & Columbus Hall
2735 Union Road
Cheektowaga NY 14227

How would you like to Build Better Models !

We are Welcoming New Members

WWW.IPMSNIAGARAFRONTIER.COM

What do I get as a Member?

Old Fort Niagara Diorama

Old Fort Niagara Diorama

A team of our members completely scratch built a 1/300-scale diorama depicting Fort Niagara and its surrounding land and river areas as they appeared in 1780. Many specialized techniques were called upon in this nine-month effort to produce a unified scale appearance of the fort's structures and fortifications, the town on the river shore, shipping, the overall land and seascapes and even several hundred figures. The finished diorama is permanently displayed at Old Fort Niagara, in Youngstown, New York.

Newsletter and Website

(www.ipmsniagarafrontier.com)

The Sprue and Glue News is our newsletter, which is published online monthly, recapping the previous month's activities. We also mail out a reduced content version if you are unable to receive email. On our website you will see event listings, links and other information not covered in our newsletter.

BuffCon

An annual Scale Model Show in April, BuffCon is our premier scale modeling show, run by our club members since 1982. BuffCon features a contest with 65 + model categories for everyone to enter and 50 + vendor tables where you can find the model kits and supplies you've been looking for. We usually have over 400 model entries on our tables and a plethora of different vendors.

Model Contests

Joining is easy: just fill out the application and send it in, come to one of our meetings, or see one of our members at BuffCon. We can give you all the details. We have reasonable yearly dues of \$20.00 for adults and \$5.00 for juniors under age 18. Checks are payable to **IPMS Niagara Frontier Chapter**.

Completed forms and dues can be sent to:
